## LAND REFORM IN ZIMBABWE: CHALLENGES FOR POLICY (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Zimbabwe s land reform has been highly controversial. Too often, ideological positions trump empirical realities and detailed analysis. This book aims to fill a gap by drawing on extensive longitudinal research from across Zimbabwe, pointing to policy challenges, as well as solutions. In the post-Mugabe era, moving forward is vital if the agrarian economy is to revive and the benefits of the land reform are to be realised. Across nine sections and 44 chapters, the book discusses a range of themes - from livelihood change in land reform areas, to the particular challenges of medium-scale farms, youth, farm workers and land administration to food security, market development, small towns and the potentials for local economic development.
