Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

Workman Publishing. Paperback. Book Condition: new. BRAND NEW, Sh*t Happens: The Book, Debbie Lazarus, The lure of the morbid. The fascination of really bad news. The strange thrill of things going spectacularly wrong. Tragic, sensational, spine-chilling, and addictively entertaining, it's The Darwin Awards meets The Stupidest Things Ever Said. In story after story we meet the star-crossed, the extremely unlucky, and the fatally foolish. Sure it's grim, sometimes ghastly. But isn't it nice to know that someone, somewhere, had a worse day than you? Sh*t happens. Sometimes it's natural: A driver goes for the ride of his life when a 100-mph gust blows his truck off the Verrazano Narrows Bridge in New York. (He survives the steep plunge into the Hudson River. Sometimes it's supernatural: The woman who peels an artichoke only to have it explode in her hand. Short-sighted: A rattlesnake owner kisses his beloved pet, and discovers that the affection isn't mutual. Delightful: A tanker truck carrying liquid chocolate splits open in a traffic accident, drawing children from miles around. Unexpected: A folding bed traps and nearly kills a man. Heartbreaking: Art restorers accidentally dissolve the ink off a newly discovered Da Vinci drawing. Gross: From the brain of a man complaining of mental instability, doctors remove a four-inch worm. And grosser: A diner discovers in the most revolting way possible a rodent along with his fried chicken. And even, seemingly, cosmic justice: An incensed homeowner catches a mouse and decides to teach it a lesson by tying a kerosene-soaked rag to its tail and setting it on fire. The mouse flees; the man's house burns down."
