It is there that we have to look for the men of enterprise and leading who have won the chief positions in the realms of industry, commerce, and finance. These men have been among the chief factors in the building up of the prosperity which has, after a fierce, impetuous, overwhelming struggle, given to their country unquestioned supremacy in certain important industries. They have been men of resource, genius, determination, and power. Such indomitable energy in money-making as their careers display has never before been witnessed; such fortunes as they have made have never before been equalled; such fairy tales of industrial greatness as they have lived are far more romantic than the imaginative stories of the Arabian Nights. It...
