By Joseph Dorazio

iUniverse, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Along with previously selected works, prize-winning poet Joseph Dorazio presents twenty-six new poems in *As Is*, a unique collection that explores the wide spectrum of the human experience, from the search for vintage treasures to archeological myths tied to global warming. Dorazio examines the allure, if not outright addiction, of one of his favorite pastimes--scavenging flea markets and vintage junk shops. Here, he searches for something we may not know exists--a kind of poetic and personal archaeological dig through the detritus of the past. In addition, this volume also includes twenty-six selected poems from Dorazio's most recent collection, *Remains to Be Seen*, a finalist in Bright Hill Press 2010 Chapbook Contest. These poems pay homage to the artistry of Ogden Nash and Kay Ryan with a miniaturist-style that is at once whimsical and iconoclastic, with many surprises in wit, rhyme, and subtle insight. Set against an exotic backdrop of ancient Mesoamerican mythologies, Dorazio's selections from *Poems of the Fifth Sun* examine global warming, hinting at uncanny parallels among Aztec, Mayan, and other Native American predictions of world cataclysmic change and contemporary climate science....

### Reviews

*Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).*

-- **Mr. Antwon Frami**

*This is an awesome publication I have at any time read. Of course, it is playful, still an interesting and amazing literature. You will like just how the author wrote this book.*

-- **Prof. Herta Mann**
