

Eros (Paperback)

By Candi Kay

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Eros is the god of love and lust. His only job on Earth is to bring couples together and shoot them with his magical arrows. If he occasionally hooks up with the guys first, what of it? He s all about the lust thing, but love? Not hardly. Not after all the broken relationships he s witnessed throughout his long, immortal life. After four assignments that he nearly blows because he s quicker to shoot his load than his arrows, Aphrodite gives him a final chance to prove himself. If he fails, he could lose his privileged position among the gods and be eternally banished from the planet he calls home. Confident in his skills, he isn t overly concerned. That is, until he hooks up with the guy he s supposed to shoot for his do-or-die assignment. In the eons he s spent on Earth, he s never felt this way before. Does he risk losing everything he s ever known? Or does he fulfill his duty and walk away from the only love he s ever found?.
