By Sarah Lagail Wyatt

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For many, fear is an integral part of everyday life - a necessary evil. The world says that a little fear is actually healthy. All the while, such godless indoctrination is leaving people in continual torment, robbing them of peace, and killing their hopes and dreams. However, Fear does not have to be a part of our life - ever. We do not have to live in torment, we do not have to have our peace, our hopes, or our dreams stolen from us. So what is fear, and how should we respond to it? In this inspiring message, readers will discover that liberty from the control of fear is an important element of our Redemption. It is through being free from fear that we are capable of receiving deliverance from all trouble, and to embrace every good thing that the Lord has laid up for those who love and honour Him. We can live in peace and live in victory every day. All because of Jesus, we have been Redeemed from Fear.
