Your husband learned from an early age to deny his true feelings--and to be silent about his deepest needs. Most men long for greater intimacy with their wives, but they have no idea how to find it. Bestselling author David Murrow breaks the silence, uncovering the central secret of your spouse s heart. He reveals what every husband since Adam has felt but has been unwilling or unable to say. If you really want to know what s stored up in your husband s heart, listen to this audiobook. You ll not only understand him better, you ll love and respect him more.
