Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The annihilation of New Haven was only the beginning. With King Cyrus on the run and a forbidden past yet to be discovered, Echo Abbeny is finding that her entire existence relies solely on one thing - the acceptance of her gifts as a hybrid and the godly abilities she can't even begin to understand or control. As they both vie for her heart, Ayden and Kahl are proving to be an even greater temptation than she could have ever dreamed of. Rumors of a mysterious kingdom in the Sunken City begin to spread like wildfire, spurring chaos between the Xavians and a race against the king. Every move will be watched, and death lurks at every corner. A war will be fought, and there will be blood to pay. As one of the last oracles on earth, Echo will have to trust herself like never before.
