

The Influence of Christianity, Vol. 8: On the Vocabulary of Old English (Classic Reprint) (Hardback)

By H S Mac Gillivray

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Influence of Christianity, Vol. 8: On the Vocabulary of Old English No one of the above cited authors had, to my mind, treated the theme anything like as exhaustively as the subject demanded. In the lists of words and expressions cited it was often hard to see precisely wherein the influence of Christianity consisted; and the reader was forced to a continual use of the dictionary to supply the deficiency. Furthermore no trace of an exposition of the historical development of a word or expression within the language in question was to be observed; in short the entire treatment seemed to me much too brief and rudimentary. Starting out with the intention of reading only the more important anglo-saxon monuments, I soon found it desirable for even a tolerably complete presentation of my subject to include within the scope of the investigation every work of any importance in the language. This, of course, much increased the bulk of preparatory work. I had hoped to complete the whole as a dissertation; but have been compelled by the increased amount of...

Reviews

This is the greatest book we have read through till now. It is probably the most amazing book we have gone through. I am just happy to tell you that here is the greatest book we have read through during my individual daily life and may be the best ebook for possibly.

-- **Eliseo Leffler**

This book will not be straightforward to start on studying but really fun to read. It absolutely was written really flawlessly and helpful. You can expect to like just how the writer wrote this publication.
