DATING SECRETS OF THE TEN COMMANDMENTS

Harmony. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.3in. x 5.1in. x 0.9in. Are you tired of the dating game? Do you fear never finding that special someone? Don't give up hope. Just when you begin to dream of moving to Antarctica, or making your pet your lifelong companion, Shmuley Boteach can help you experience the overwhelming rewards of making someone else happy. Drawing on the ancient wisdom of the Ten Commandments, he will demonstrate the timeless attraction of mystique and explain the four steps of intimacy: attraction, exploration, emotional intimacy, and physical intimacy. Express the self-confidence that will become your most attractive quality. Learn to become emotionally naked instead of just physically naked. Understand the difference between a loving soul mate and a partner. Learn to have what Boteach calls a peasant attitude toward love—discovering what you have to offer someone and what you need from that special someone. Suddenly your view of dating will do an about face: finding a soul mate will be a simple, straightforward, and joyful process instead of a shot in the dark. Shmuley Boteach is by turns self-deprecating and hilarious, but he is always on point. Here the author of *Kosher Sex* outlines the ultimate plan for fulfillment and contentment, no matter your age, sex, or situation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
