Reviews

A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

INTERNATIONAL RELATIONS THEORY AND INTERNATIONAL LAW: A CRITICAL APPROACH

[DOWNLOAD](#)

Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, International Relations Theory and International Law: A Critical Approach, Adriana Sinclair, International law is playing an increasingly important role in international politics. However, international relations theorists have thus far failed to conceptualise adequately the role that law plays in politics. Instead, IR theorists have tended to operate with a limited conception of law. An understanding of jurisprudence and legal methodology is a crucial step towards achieving a better account of international law in IR theory. But many of the flaws in IR's idea of law stem also from the theoretical foundations of constructivism - the school of thought which engages most frequently with law. In this book, Adriana Sinclair rehabilitates IR theory's understanding of law, using cases studies from American, English and international law to critically examine contemporary constructivist approaches to IR and show how a gap in their understanding of law has led to inadequate theorisation.
