Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Casey Stokes was a late bloomer and as she turned eighteen she transformed from a geeky, gawky teenager into a beautiful, sexy swan. Dan was her employer, her friend and a much older man. Casey and Dan talked about everything: art, history, philosophy, music, science, computers. But when the conversation turned to sex, a subject in which Casey was completely void of experience and perspective, things began to get out of hand. Casey had never even kissed a boy. She ached to be a player and her new wardrobe of short skirts and revealing tops were getting her a lot of attention. But what Casey desperately needed was guidance and practice on carnal matters. Who better to mentor her in the art of love and love making than her trusted friend Dan. This is a quick, sexy read about loss of innocence and sexual exploration. Enjoy.
