Then you should, said Mr Fox, you really should. So it is that Struan Robertson, orphan, genius, and just seventeen, leaves his dour native town of Cuik, and arrives in London in the freakish fine summer of 1989. His job, he finds, is to care for Phillip, dumbfounded and paralysed by a massive stroke, because, though two teenage children, two wives, and a literary agent all rattle round Phillip s large house, they are each too busy with their peculiar obsessions to do it themselves. As the city bakes, Struan finds himself tangled in a midsummer s dream of mistaken identity, giddy property prices, wild swimming, and overwhelming passions. For everyone, it is to be a life-changing summer. This is a bright book about dark subjects: a tale about kindness and its limits, told with love. Spiked with witty dialogue, and jostling with gleeful, zesty characters, it is a glorious debut novel from an acclaimed writer of poetry, non-fiction, and short stories.
