

The Reemergence of Man, Kailin (Paperback)

By Mark Dean Knight

Cacti-Knights, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.near future conceptual fiction weaving through the tipping point, elitist transhumanism, and authentic evolution - with undertones of mysticism and shamanism. Post the coming tipping point event(s) and collapse of the monetary system, the following chaos keels out into seeds that sprout into new strands of civilisation; evolving communities, mystical groups, and transhumanised elitist cities with Smart AI. With the vatican secrets loose, and available free energy, a disillusioned AI worker, Kailin, takes to adeptship, and claws his way out of the city towards an adventure of growth that could forever change the evolution of mankind.

Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

-- **Blair Monahan**

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
