By Victor C Brice

iUniverse, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Reluctantly, the aged Arthur accepts that the weight of being the King of all fantasy and dreams is too great. Being the heir to his father s crown places Prince Michael in grave danger from the lord of the most ancient, deepest and darkest pit known: Tartarus. The Tartarus pits hold the old Greek gods called the Titans as well as the most wicked of humans. Unbeknownst to his son, Arthur allows Michael and Morgana s two children to travel back in time to 5th Century Camelot in order to protect them. However, Michael has learned that the romanticized affair between his mother Guinevere and Lancelot was real and true. The eighteen year old youth seeks to avenge his mother s dishonor by killing Sir Lancelot before he ever commits his crime of passion. Should Michael succeed, he will never have been born and the modern day 21st century Camelot will never have existed!.

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
