In the intervals she gave birth to eleven children, a majority of whom were certain to grow up burdens upon society and to themselves. Her mother had been an inmate of an insane asylum before her birth, tinder an intelligent order of society the mother would nt have been permitted to procreate. She did. however, give birth to this M K and to other insane and feeble-minded children. M K was then permitted by society to carry the taint further still and. up to the last report, had given birth in all to sixteen children There is at Stockton a woman who has been utterly helpless from the day of her birth; she has never been able to so much as carry a morsel of food to her mouth. Is it not self-evident that society committed a crime against this poor creature in permitting her to be born? We must make it our business to awaken the people to a realization of the fact that it is as foolish to permit human defectives to reproduce themselves as to permit defective domestic animals to beget offspring. The whole stream of human life is being constantly polluted by the admixture of the tainted blood of the extremely defective. If this source of contamination could he cut off, the beneficial effects would begin to show in a single generation, and in a...
