Brand New Book ***** Print on Demand *****.Excerpt from Oldham, or Beside All Waters I think this book tells its own story, such as it is. It is simply a tale of quiet country life in a New-England parish, with some of its oddities and advantages, and a little of the tragedy which is found everywhere. It is not meant specially either for old or young, though I hope both classes may find entertainment and profit in it. One word as to the Bible-class service. I believe such neighborhood meetings would be found of the utmost advantage both in city and country parishes. In the city especially may always be found a large class of women who have been brought up to attend church regularly, but have fallen out of the habit, at first, perhaps, kept at home by the cares of young children, and afterward from indifference. Such persons may often be induced to attend a service in a neighbor s house or some such place, of an evening, when they would not go to church. My idea of such services would be, to make them Bible-readings, in which all should be invited to take part. I do believe that a great deal of good might be done in this way.
