

## Head and Neck Cancer: Treatment, Rehabilitation, and Outcomes (Mixed media product)

By Elizabeth C. Ward, Corina J. Van As-Brooks

Plural Publishing Inc, United States, 2014. Mixed media product. Book Condition: New. 2nd Revised edition. 231 x 178 mm. Language: English . Brand New Book. Head and Neck Cancer: Treatment, Rehabilitation, and Outcomes, Second Edition expands on recent advances in the management of head and neck cancer through a greater understanding of cancer cell growth and mechanisms, as well as the expansion of rehabilitation strategies across the allied health profession. Written by a team of internationally recognized experts from the medical and allied health communities, the book covers both the theoretical and clinical knowledge to support basic training of therapists in practice as well as graduate students, all illuminated with case examples - from swallowing disorders, through non-surgical voice restoration, to rehabilitation following total laryngeal surgery - on an accompanying DVD. With expanded coverage of current theory and clinical practice, this book continues to be an essential textbook and practical clinical reference for the HN cancer rehabilitation team.
