See what Christian leaders are saying about Against Oneness Pentecostalism: Michael Burgos has produced a brilliant blend of systematic theology and biblical exegesis with a detailed and thorough discussion of the main passages at the center of the dispute between Oneness Pentecostalism and traditional trinitarianism. He argues throughout for certain central elements of trinitarianism, in particular, the eternity of the Son of God and the eternal co-existence of the Father and Son with a focus on the Son's activity in creation. He ably interacts with technical issues including the original languages, Greek grammar, and textual criticism and cogently demonstrates that Oneness Pentecostalism is deeply flawed in its interpretation of Scripture and its understanding of God. Burgos consistently stays fastened to the exegesis of the biblical text both in his positive affirmation of the Trinity and in his thorough dismantlement of Oneness theology. Thus, Burgos has clearly laid out the biblical case against Oneness unitarianism. Edward L.
