## Big History: Between Nothing and Everything (Paperback)

By David Christian, Cynthia Brown, Benjamin Craig

McGraw-Hill Education - Europe, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Big History: Between Nothing and Everything surveys the past not just of humanity, or even of planet Earth, but of the entire universe. In reading this book instructors and students will retrace a voyage that began 13.7 billion years ago with the Big Bang and the appearance of the universe. Big history incorporates findings from cosmology, earth and life sciences, and human history, and assembles them into a single, universal historical narrative of our universe and of our place within it.â The first edition of Big History: Between Nothing and Everything, is written by the pioneers of the field, and presents a framework for learning about anything and everything. It encourages students to think critically about our cumulative history and the future of the world through a variety of lenses. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect (R) is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect...
