SteinerBooks, Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. First, one might ask: Why not just read the first three books? After all, Rudolf Steiner wrote them in such a way that the very act of reading them can awaken new faculties. Who could ever duplicate that? It might even seem presumptuous to select passages from books that were constructed by an initiate. To those who have these and other objections, I have the following response: My hope is that the pages in this book serve as an invitation, so that those who work with this material will then be motivated to go to the original texts and work with them more intensively. -Torin Finser This book guides the reader through foundational works of Rudolf Steiner, while asking questions along the way that provoke thought and insight. In part 1, Torin Finser focuses on three essential works: How to Know Higher Worlds: A Modern Path of Initiation (CW 10) Intuitive Thinking as a Spiritual Path: A Philosophy of Freedom (CW 4); and Theosophy: An Introduction to the Spiritual Processes in Human Life and in the Cosmos (CW 9). In addition, three lectures are included: Overcoming Nervousness ; The Four Temperaments ; and Practical Training in Thought. These offer invaluable insight and guidance in helping the reader prepare inwardly to undertake effectively the exercises and practices outlined in the appendices. In part 2, the author outlines the essential worldview and approach of Spiritual Science. As he tells us, Sometimes, we have questions that cannot be answered by conventional means, such as the news media or the internet. There are situations when a person can feel an inner stirring-a longing for real answers that go beyond ordinary, informational knowledge. Sometimes this search can intensify and become burning...
