

The Ire Approach Past-Life Regression and Imagery Therapy

By Christopher Harris

Createspace. Paperback. Condition: New. This item is printed on demand. 100 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This book contains a revolutionary new system for Past-Life Regression and Imagery Therapy called The IRE Approach. Learn inductions, deepening techniques, how to facilitate past-life regression therapy sessions and imagery sessions and other crucial hypnotherapy techniques. This book is a MUST HAVE for therapists! I. R. E. stands for Imaginative Role-Enactment. This is a complete hypnotherapy system created by Certified Master Hypnotist Christopher S. Harris. Most Past-Life Regression Therapists are approaching the technique as true to life They will tell you that they are actually taking you back to a time that you have lived before. But The IRE Approach does not assume that you believe in Past-Lives and we do not propose that that is what we are doing. The IRE Approach treats Past-Life Regression as Imaginative Role-Enactment and so the topic of reincarnation and the risk of conflicting with the clients belief system is never an issue. This approach is a Godsend to hypnotherapists specializing in Past-Life Regression therapy because now by framing the procedure in a different way it is accessible for use with every client. You are no longer...
