Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Baby Bump Coloring Book was designed to get toddlers and preschoolers involved with their new baby brother or sister during mom s pregnancy. I took much consideration in helping to educate the child without over stepping the line with too much information. The baby bump coloring book is a fun way to keep children involved, informed and encouraged about the new little life developing in mommy s tummy. The Baby Bump Coloring Book includes a variety of vegetable pictures to color as well as a few christian based coloring pages and Bible verses. As a fun bonus I have added several activity sheets. Your child is sure to enjoy being a part of this amazing adventure! Thank you and Congratulations on the new little addition to the family.
