Excerpt from The Charm of the Impossible Columbus heard the Voice and it rang out above all the laughter and scorn of his fellows. Having once heard it nothing could silence it. He heard it in the night time, he heard it in the day time, he could not get away from it. He followed it through Italy to Spain, to Portugal, to France, back to the palace, eager even to seize the queen s proffered jewels if thus he might obey the Voice. At last with three small ships and a convict crew he set sail. Through an unknown waste of water with his tiny ships and his handful of frightened men he followed the Voice - and found a world!
