By Hollis Leroy Muller

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Manual of Military Aviation: Prepared for the Use of Personnel of Aircraft Troops of the Army, National Guard and Reserve Corps; Officers of the Army, National Guard and Reserve Corps; Members of Military Training Camps; And Airmen in General The events of the past few years have clearly demonstrated that a strong and well organized air service is a vital accessory of the modern military machine. Without an efficient air service, an army is blind and impotent against an adversary so equipped. The strength of an effective air service is measured in thousands of properly manned aircraft, organized into properly balanced military aircraft units. This presumes an aircraft industry organized to meet every demand, and an extensive system of aircraft arsenals, depots, training bases and flying stations. A highly trained, specialized personnel must be provided for the air service. Mechanical or technical training, knowledge and experience are essential. The value of supplementing such training by suitable theoretical instruction cannot be gainsaid. This manual is intended for use as a textbook, and as a reference work, for such theoretical instruction....
