Excerpt from Scotts Lady of the Lake: Adapted and Simplified for Use in Schools Pains has been taken to preserve, so far as possible, the vocabulary of the original text, to give a suggestion, if no more, of the great poet's power in vivid word picturing, and thus to prepare for the later intense reading of the poem itself. This preparation will be welcomed by all teachers who expect to teach ninth year English, since the poem has been placed one year earlier in the New York Syllabus given for the five years following 1900.
