John Wiley Sons Inc, United States, 2016. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. Your complete guide to equity assets valuation Equity Asset Valuation Workbook, Third Edition was designed as a companion to Equity Asset Valuation, Third Edition, the most comprehensive text on this subject available on the market. This workbook provides key study tools, such as learning outcomes, chapter summaries, practice problems, and detailed solutions, that guide you in your preparation for the third step in the CFA certification program. These features reinforce essential theories and their practical application, and assist you in understanding the core concepts behind these theories, as well as when and how to implement them. Integrating both accounting and finance concepts, the workbook and its companion text offer a collection of valuation models and challenge you to determine which models are most appropriate for given companies and circumstances. When you make an equity investment, you purchase and hold a share of stock. Through the payment of dividends and capital gains, this investment can result in income that can boost the performance of your portfolio but determining which investments are going to be profitable and which are best passed over is key to building a successful equity investment strategy. \* Access targeted features, such as practice problems, chapter summaries, and learning outcomes, that reiterate your newfound knowledge \* Prepare for the third step in your CFA certification program with confidence \* Reinforce the ideas presented by the workbook s companion text, sold separately \* Expand your understanding of equity assets through versatile material that blends theory and practice to provide you with a realistic understanding of the field Equity Asset Valuation Workbook, Third Edition complements the revised Equity Asset Valuation, Third Edition, and guides your study efforts for the third step...
