Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.[Siren Menage Everlasting: Erotic Menage a Trois Romance, M/F/M, HEA] Who would have thought promoting a dating website that caters to menage relationships would lead Elise Sinclair straight into the arms of Dakota and Chad Collins? All she wanted to do was market the site in Triple, Arizona, where there is an abundance of menages, and then get out of Dodge. But when her cell phone is destroyed, her car breaks down, and the men declare that they think she is meant for them, things go from bad to worse when someone threatens her life. As an author, Elise couldn't have come up with a better plot, but this wasn't one of her books where happy endings are the norm. Seeing as this is real life, Elise can't write herself out of town or keep her heart protected. Will Dakota and Chad be able to keep her safe? Can they convince Elise that they are her perfect match? Note: There is no sexual relationship or touching for titillation between or among siblings. \*\* A Siren Erotic Romance.
