In A Traitor Within pastor Damon Rambo explores the dangers of the Feeling Driven Culture and the challenges that it presents to the Bride of Christ, the Church. We have been indoctrinated, brainwashed into thinking of Jesus and the apostles as nice, politically correct hippies who wandered the desert saying nice things to people. We have been taught to read Biblical words like love, kindness, and gentleness in a way that is completely foreign to the text. Our church services have become little more than weekly feel good meetings. There is a traitor, and he is within us. In fact, the traitor is us... our politically correct, postmodern, sin corrupted minds. Damon addresses popular Christianitys misunderstanding of Jesus, the Bible, and the Gospel of Christ, and outlines a strategy to save it from the feeling-driven cesspool into which it is sinking. Act now... cast the traitor from our midst.... before its too late! This item ships from La Vergne,TN. Paperback.
