Learn Proven Strategies That Will Get Your Student Noticed! Does thinking about college admission for your homeschool student fill you with dread? Do you ever wonder how your humble homeschool can compete with those insanely rigorous college prep schools? It's true, the world of college admissions is as different from yours as Oz is to Kansas! Fear not, Lee Binz, The HomeScholar, can show you the way! Using this proven strategy, you can learn to put your student in the best possible light for college admission and scholarship consideration. In this book, you will learn: how college admission has changed over the last 30 years and what colleges now look for in prospective students, little known insights into the mind-set of college admissions officials and how you can use them to benefit your child, three keys to successful high school preparation that won't drive you or your children crazy, the core elements of a comprehensive homeschool record that will amaze and impress colleges. You will be relieved at how achievable it is to create beautiful records and how they can give you a real advantage in the college admissions game. Here's Why You Need This Book: Let's face it, most homeschool parents don't have unlimited resources to pay the exorbitant price of a modern college education. In addition, no one wants to see their children get launched into life with the crushing burden of college debt strapped to their backs. If you are looking for how to best present your student to universities, Comprehensive Homeschool Records: Put Your Best Foot Forward to Win College Admission and Scholarships...
