Nurit Oren, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a complete awakening handbook, filled with practical, enlightening and freeing guidelines that serve as a universal compass for those lost in the maze of spirituality and wish to finally return HOME. The many metaphors, illustrations and anecdotes in it make it an easy yet interesting and entertaining read and opens the complex mind to the appreciation of simply, true freedom and effortless being. It is written from the standpoint that awakening is everyone's birthright, and not a privilege that is reserved for a select few. This book is for those who, knowingly or unknowingly, aspire to awaken. You don't have to be spiritual to get its message. By the same token, if you have been mistakenly, or inadvertently, pursuing dead-end spirituality and are open to see that a dimensionless dimension beyond this dualistic reality exists and belongs to you, then this book is for you. It is an invaluable tool for anyone who is serious about waking up to the truth of Being. This book covers everything from realization to integration and beyond.
