Createspace, United States, 2015. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is an illustrated story of a young boy growing up from age four through age twelve. It describes some of the true-to-life adventures of this young man, his friends and the game they love to play - baseball. Billy Baseball invites the reader to share in a variety of experiences. Centered around Billy s experiences on the baseball diamond, Billy has a chance to decide what is really important in life. Billy Baseball is divided into two volumes. The first volume, A Young Man s Adventures Growing Up with Little League Baseball, introduces you to Billy, his family, his friends and his love for the game of baseball. It describes some of the adventures that Billy and his friends live through. Some of the adventures take place on the baseball field; many take place in other settings. The first of the two volume series is aimed at young persons between nine and twelve years of age, especially those persons who are playing or who have played baseball. Parental involvement, reactions to good days and bad days, Little League experiences, and the importance of teamwork are interwoven into the plot. The first volume is the easier of the two volumes to read and understand. Although the books can be read independently of one another the characters and story lines are interwoven. The second volume, Billy Baseball Meets the Babe begins with Billy going back to school to enter the seventh grade. He empathetically welcomes a new kid into his neighborhood group of friends. And, Billy continues to have a crush on a young lady, a little red-haired girl, whom he first encountered in volume one. This young...
