

Endangered Minds: Why Children Don't Think, and What We Can Do about it (Paperback)

Filesize: 2.62 MB

Reviews

This ebook might be worth a read, and superior to other. It is probably the most amazing publication we have read. Your lifestyle period will likely be transform once you total looking over this publication.

(Alana McCullough)

ENDANGERED MINDS: WHY CGHILDREN DON T THINK, AND WHAT WE CAN DO ABOUT IT (PAPERBACK)

SIMON SCHUSTER, United States, 2002. Paperback. Condition: New. Reissued.. Language: English . Brand New Book. Is today s fast-paced media culture creating a toxic environment for our children s brains? In this landmark, bestselling assessment tracing the roots of America s escalating crisis in education, Jane M. Healy, Ph.D., examines how television, video games, and other components of popular culture compromise our children s ability to concentrate and to absorb and analyze information. Drawing on neuropsychological research and an analysis of current educational practices, Healy presents in clear, understandable language: -- How growing brains are physically shaped by experience -- Why television programs -- even supposedly educational shows like Sesame Street -- develop habits of mind that place children at a disadvantage in school -- Why increasing numbers of children are diagnosed with attention deficit disorder -- How parents and teachers can make a critical difference by making children good learners from the day they are born.
