Lark Books,U.S., United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Written by bestselling author Jeff Wignall, this conveniently sized take-along guide is geared expressly to the novice digital photographer. It covers the important basics any beginner needs to know, from equipment to technique. Best of all, because it s organised by topic into bite-size chunks of information, this highly illustrated manual - complete with graphs, tips and trouble shooting charts - guarantees photographers quick and easy access to exactly the information they want, when they want it. The final two chapters move beyond technique to discuss creativity and composition and also provide must-know advice on downloading, sharing, organising and printing digital pictures. Packed with professional insight and tips, this is the one-stop resource for the burgeoning digital photographer.
