I m also pretty sure I have cellulite, but I d need to pop my specs on to make absolutely certain! As we get a little bit older and wiser it seems that gravity begins to take its toll and more and more of our body parts start to head south. But you no longer have to take it lying down! In this book I ll share a few tricks of the trade on clothing, makeup, hair and accessories you can use to look your sensational self without endless dieting or resorting to the surgeon s scalpel. If, like me, you are around 50 years old then the world should be your oyster. This is the time when we have more freedom, more wealth and more wisdom than in our previous years. Gone are the days when reaching 50 means elasticated waistbands and tightly permed grey hair. You can still turn heads. even when you are older!.
