

The Pope the CEO: John Paul II s Leadership Lessons to a Young Swiss Guard (Paperback)

Filesize: 5.52 MB

Reviews

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

Emmaus Road Publishing,US, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.
John Paul II showed me what real leadership looks like. He modeled for me how to pursue our God-given potential. Not coincidentally, this also makes us and those around us better employees, more capable of and more willing to work hard at building a stronger company. That s something that makes both good human sense and good business sense. --Andrea Widmer Former Swiss Guard, CEO and business leader
Andrea Widmer gives a behind-the-scenes look into Pope John Paul II, the most authentically human person I ve ever met, and reveals how those memories shaped and forged his success as a corporate executive. In what papal biographer George Weigel calls a powerful example of leadership at work, Widmer recounts his personal experiences serving Blessed Pope John Paul II in the Swiss Guard, and the secrets of successful leadership that he learned at the feet of the great pope. John Paul s influence made me understand that business and faith go together. The free market and Christianity are not opposed to each other but business can be a wonderful school of virtue and faith. Faith and virtue, on the other hand, make a business and the economy truly prosperous. The late pope is a great inspiration and example for business leaders and CEOs. He is for me and I hope he will be for you as well. Andrea Widmer has given us a true gift by sharing his first-hand experience of Pope JP II s personal habits so that we can incorporate these in our own leadership journey, says Dr. Carolyn Woo, Dean of the Business School at Notre Dame. This up-close look at the pope s influence raises the bar for leadership...
