Infinity To Eternity

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Infinity To Eternity | The use of radiographs as a diagnostic tool has become an indispensable routine in medicine and dentistry. For a long time, since the discovery of X-rays, film has been the primary medium for capturing, displaying and storing radiographic images. But the advent of digital imaging in dental radiography has revolutionized the field of radiology. A number of forces are driving the shift from conventional film to digital systems....
