Glenneyre Press LLC, United States, 2012. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.No one ever believes their dream vacation can instantly turn into a tragic nightmare.until it s too late. Some tourists vanish without a trace. Over 170 people have disappeared from cruise ships around the world since 1995, several under very suspicious circumstances. Others have their lives senselessly stolen, like the 8-year old boy sucked into an unprotected pool drain at a major resort, leaving his mother crying out his name as security staff held her at gunpoint. Or 22-year old Nolan Webster, denied proper medical care after being pulled unconscious from a Cancun resort pool, only to have his dead body left in plain view for hours and his parents billed for his room. Vacations are meant to be joyous and fun. Sometimes terrible things happen unexpectedly. A parasailing newlywed plummets hundreds of feet to her death on the last day of her honeymoon when her harness snaps in mid-air. Hikers make a fatal plunge on an improperly-marked Kauai cliffside trail. And of course, there s every mother s nightmare: the disappearance of Natalee Holloway while on a high school graduation trip to Aruba with members of her senior class. FATAL SUNSET, the latest expose from award-winning and bestselling author Mark Yoshimoto Nemcoff is not meant to do for vacations what Jaws did for beaches. I m not trying to scare you from going on a trip. I m revealing these hidden true stories in order to make sure you understand what danger lurks in between the sun and sand and that perfect getaway, explains Nemcoff, the writer behind Kindle bestsellers The Death of Osama Bin Laden and Where s My F\*cking Latte?, an insiders look...
