The next day Chuck begins the flight evaluation of the Soviet SST from Paris to Cairo, under the supervision of an Aeroflot crew, when the Russian first officer arrives to assist Chuck, and he finds himself face-to-face with the same female MiG-25 pilot he saw yesterday! Up close she's even more like the woman pilot he fell in love with at Stalingrad so long ago. Chuck doesn't realize that he's meeting his Russian daughter for the very first time!
