Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Never doubt your wings. - Bald Eagle. This controversial and bold little book gives voice to the spirits of the air, of the earth, and of the water - with the passion of fire. And it gives voice to our own animal spirit as an antidote to fear, confusion, disconnect, and poor health. This book will disturb you, mystify you, melt you, and energize you, as well as charm you with a few tales about a dog who knows how to make her dreams come true. Intuition, empathy, telepathy, compassion, precognition, and creating and manifesting a vision are not only human abilities, but qualities inherent in all animals.in all life. And it takes our animal nature to realize these traits within ourselves. This book very simply reveals why the most spiritual aspect of being human is being an animal.
