Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stutte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

SCRIPTURE ALONE: THE EVANGELICAL DOCTRINE

P R Publishing Co (Presbyterian Reformed), United States, 2013. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book. In the twentieth century, the doctrine of Scripture became a particular focus of intense criticism. Some of R. C. Sproul s most significant writings have been on the doctrine of Scripture. Not all this material is in print, and no volume has ever collected his best writings on this pivotal doctrine. Scripture Alone consists of four chapters that originally appeared in symposium volumes edited by others and the author s commentary on the Chicago Statement on Biblical Inerrancy. These writings constitute an important restatement of the evangelical doctrine of Scripture. Scripture Alone will help all Christians to stand firm in defense of the truth.
