A THOUSAND FALLING CROWS (BRAND NEW UNREAD COPY)--ADVANCE READING COPY

U.S.A.: Seventh Street Books, 2016. Soft cover. Condition: New. 1st Edition. Jan. 5, 2016. This is an Advance Reading copy of a Trade Paperback Original. First Edition. First Printing. Cover is same as finished book except for oval in which states this is an "Uncorrected Advance Reading Copy"--No ugly stickers or markings on the book and the front cover art is fully realized. Set in the 1930's depression desperation, "Sonny Burton was forced to retire from the Texas Rangers after taking a bullet from Bonnie Parker in a bloody shoot-out. The damage was so bad his arm had to be amputated. While Sonny struggles with becoming one-armed, the hospital's janitor asks him to help find his daughter and bring her back home. She has gotten herself mixed up with a couple of brothers involved in a string of robberies. Sonny agrees to help, but is more concerned about a wholly different criminal in town who has taken to killing young women and leaving them in local fields for crows to feast on." A powerful novel and mystery about redemption and violence. Mint in full pictorial front cover.
