Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The mind will take us on an unusual journey here. The subject matter has been done to death, but this story puts a new twist on it. This tale is told with three characters, and by the end of it, you will see why three really is an irritation, and two will do rather nicely. If you enjoy a good Twilight Zone episode this one will not disappoint you. Maybe you as the reader will see your own reflection in this one, or that of someone you know. Note the added chapters that also have to do with mirrors, and what we might see or think we see in them. Enjoy!.
