Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Crockett Almanac, 1839 Cold as a coy damsel, on her first introduction to the man she is destined to marry, commences the New Year. On upland and plain; in valley and dell, the bleached bones of the deceased year are found. The white pith of Winter, piled upon the ground, proclaims that we have arrived at its centre. Nature sits trembling on her throne. Like a bereaved mother wrinkled with age; and her desolate moan is heard among the naked branches. The year commences like the life of man, with low wailings, moans, and cries, as of helpless grief. Isolation stalks abroad, and the Northern monarch waves his icicle Sceptre over our pleasant places. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
