Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Glen Ernser)

NATIONAL DEFENSE: QUALITY OF CAREER NON-COMMISSIONED OFFICERS: FPCD-81-33

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 22 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Concern was expressed about the loss of large numbers of quality noncommissioned officers (NCOs) from the services. Beyond the loss of too many skilled NCOs, the concerns centered on whether those NCOs staying in the services are of the same quality level as those who are leaving. GAO made a trend analysis which examined three quality indicators: (1) mental category; (2) educational level; and (3) pay grade. GAO found that among those NCOs the services desire to retain: (1) the services tend to be losing those who have higher mental aptitudes than those reenlisting; (2) there is little difference in the educational levels of those staying and those leaving; and (3) those staying have average pay grades slightly higher than those leaving. This item ships from La Vergne, TN. Paperback.
