Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Miss Shannon Hilll V)

ANYMORE (PAPERBACK)**DOWNLOAD**

MIT Press Ltd, United States, 2000. Paperback. Condition: New. New. Language: English . Brand New Book. Artists, critics, and philosophers ask what more architecture can do. At the turn of the millennium--the end of a calibrated period of time--it seems necessary to ask certain questions, foremost among them: Anymore? Anymore history and theory? Anymore architecture? Of particular concern are the last two hundred years, a self-conscious period known as modernism. Can we assume that a simple calendar change signals an end or a time of end? Is there anymore? The contributions in Anymore are by architects, critics, historians, philosophers, sociologists, urbanists, and others. They include Akira Asada, Hubert Damisch, Peter Eisenman, Arata Isozki, Rem Koolhaas, Rosalind Krauss, Ignasi de Sola-Morales, Mark Taylor, Bernard Tschumi, and Anthony Vidler, as well as young architects from France whose work many American readers will encounter here for the first time. Anymore is the ninth book in the ongoing series that began in 1991 with Anyone and was followed by Anywhere, Anyway, Anyplace, Anywise, Anybody, Anyhow, and Anytime. Each volume is based on a conference at which architects and leaders in other fields come together to present papers and discuss a particular idea in architecture from a cross-cultural and multidisciplinary perspective. The conference upon which Anymore is based took place in Paris in June 1999. Anymore will be followed by Anything.
