

Human Evolution: A Spiritual-Scientific Quest (Paperback)

By Rudolf Steiner

Rudolf Steiner Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Anyone who takes hold of what we call spiritual science, not with purely abstract thoughts but with his whole being, will see that this spiritual science goes right into the dexterity of the hands, that it makes a person more capable and enables him to extend his interest over wider areas and his will over a wider world. - Rudolf Steiner Returning from travels in war-torn Europe, Rudolf Steiner gives a stark impression of the disastrous conditions of the time, encouraging deeper esoteric work as a counter to the world-situation. Speaking under the broad theme of human development in the light of anthroposophy, he analyses the gulf between contemporary culture and science - which he says are characterized by narrow-mindedness, philistinism and ineptitude - and a scientific approach to the spirit. At the same time, Steiner is clear-sighted about the shortcomings of his followers, mentioning past failures and a continuing tendency towards sectarianism and dogmatic judgements. Rudolf Steiner discusses how we experience a state of separateness with the world through our physical form, whilst our aura - or soul-spiritual being - is already living actively...
