

## The Challenges of the US-Japan Military Arrangement: Competing Security Transitions in a Changing International Environment (Hardback)

By Anthony DiFilippo

Taylor Francis Inc, United States, 2002. Hardback. Condition: New. New.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is an in-depth analysis of the U.S.-Japan security alliance and its implications for Japan and the Asia-Pacific region. It moves away from the official line that the alliance is a vital aspect of Japan's security policy and introduces issues and arguments that are often overlooked: American security policy has failed to achieve its goals; Japan's interests are not fully served by the alliance; the alliance itself is a source of instability in the region; and the arrangement has placed constraints on Japan's own political development. The author measures current developments in U.S. foreign policy against Japan's role in the region and Japan's own political development. He assesses the consequences of the alliance for the current regional situation in Northeast Asia, looks at future policy options for Japan, and makes the case for a neutralist security policy.

### Reviews

*This sort of ebook is every thing and made me hunting forward and a lot more. I have read through and i also am confident that i am going to going to go through once again once more in the foreseeable future. I discovered this publication from my dad and i encouraged this book to discover.*

-- Prof. Kip Spinka IV

*This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Janis Reilly
