Reviews

It is great and fantastic. I have go through and i am sure that i will likely to study again once again later on. I am just easily could possibly get a enjoyment of looking at a published book.

(Tad Stanton Sr.)

METAMEMOIRS

Outpost19. Paperback. Condition: New. 304 pages. Dimensions: 8.0in. x 5.0in. x 1.0in. Literary Nonfiction. Memoir. Perry Glasser riffs on the soundtrack of his generation from Jefferson Airplane to Bonnie Raitt to Patsy Clineto look back on his life as a lover, husband, father and teacher. A literary version of a great rock album a set of great tunes in different keys and rhythms crafted and chosen to make some kind of sense. Its also the story of our generation, and how we got to where we are by doing the best we could with what we knew at the time. And for all the art and intellect, what makes it go is simplicity and honesty. Just. . . truth. And it deserves to go platinum. David Bradley This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
