

## QA Shakespeare: . Off the Record

By Stanley W. Wells, Joseph Fiennes

Watkins Media, United Kingdom, 2011. Paperback. Book Condition: New. 176 x 112 mm. Language: English . Brand New Book. Shakespeare is the archetypal literary magus, wise and prolific, his imagined realm extending vastly to encompass history, love, emotions, all the vices and virtues, town life in pubs and courts, the countryside, sea voyages, battles, supernatural beings such as fairies and witches - and much else besides. The human heart was his workshop. Shakespeare's legacy represents more than the story of a life and its age: it has dominated artistic and cultural endeavour in every generation that has followed him. This book offers a dazzling kaleidoscope of Shakespeare's inner and outer worlds - a brilliant set of imagined answers to gently probing questions, on such topics as his schooldays, his experiences of the theatre, his life in Stratford and London, his sonnets, his rivalry with other playwrights such as Christopher Marlowe and Ben Jonson, his love life, his sources of inspiration, and his attitudes to money and publication.

### Reviews

*Absolutely essential go through publication. It is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).*
